

COVID PROTOCOLS

With COVID19 our world has changed and we have all had to make adjustments to adapt. Below outlines the changes Gallery in the Grove has made.

- ▶ **NEW ENTRANCE** - Use the Front Door on the **South Side** of the building as this is our new Gallery entrance.

The Bright's Grove library doors will be locked as they will only be open for curbside pick-up and appointments.

- ▶ **Please knock on the door** to announce your arrival.

A volunteer will let you in the building and will register your name and phone number in a sign-in book. This is required of every visitor to the gallery.

- ▶ All visitors must wear masks and use hand sanitizer.
- ▶ The gallery will have a **maximum of six visitors** at any given time.
- ▶ Please respect the 2 metre distancing.
- ▶ Do not touch gift shop items unless you plan to buy it.
- ▶ Extra Cleaning will be in place.
- ▶ Most importantly if you are **feeling sick, stay home.**
